DMS iTECH

Hardware Subscriptions

Upgrade Your Technology, Not Your Budget

Our **Hardware Subscription** program allows you to acquire **enterprise-grade technology** through predictable monthly payments, helping **preserve cash flow** while keeping your business current.

Why choose a hardware subscription, you may ask?

- Preserve Cash Flow
- Predictable Monthly Costs
- Access Modern Technology Faster
- Reduce Risks of Aging Hardware
- Warranty Coverage Included

Modern Technology.
Predictable Costs. Smarter Growth.

Server Colocation

Enterprise Infrastructure without the Server Room

Stop running critical business infrastructure from closets, storage rooms, or improvised server spaces.

DMS iTech's Server Colocation services provide a secure, professionally managed environment designed for uptime, reliability, and performance

Benefits of Server Colocation? There sure are...

- ✓ Greater scalability
- ✓ Enhanced security
- ✓ Improved reliability
- ✓ Professional infrastructure environment
- ✓ Reduced facility management requirements
- ✓ Better support for future growth
